

Preschool Philosophy

We believe that children are gifts from God. They are unique individuals capable of learning. Children have physical, social, emotional, cognitive, and spiritual needs that must be nurtured. We provide a caring environment where children are allowed to play, explore, and investigate a variety of activities. By doing this they will construct knowledge about the world.

Children who attend St. Agnes Preschool will:

- Play in an environment that allows them to grow and develop at their individual pace
- Learn about God and grow spiritually
- Develop friendships and learn how to share with others
- Enjoy pretend play
- Acquire a love of literacy
- Explore concepts of print
- Investigate math and science concepts
- Learn problem solving skills
- Engage in creative art activities
- Participate in movement and music activities

St. Agnes School Mission Statement

The mission of St. Agnes is to provide a Christ-centered, compassionate community in which to educate our children’s minds, hearts, and spirits in the love of God, the pursuit of knowledge, the practice of gospel values, personal responsibility, and service to others. Through Catholic education, the school, family, and parish community together strive to empower our students to meet every circumstance of life with the attitude of Christ.
